Dear Parents/Carers,

Thank you to everyone for their warm welcome to the school. Ms Labbe told me what a wonderful community Sefton Infants has and that is certainly true.

I’m sure most of you know, but in case you missed the note, Ms Labbe has been asked to stand in as the Principal of Yagoona Public School for at least the first 5 weeks of term and I have been asked to be the relieving Principal here for the same period. I will also be teaching 2 Yellow on Monday and Tuesday each week.

I have come from Villawood East Public School where I have been an Instructional Leader for the last year. I hope to get to meet many of you while I am here.

Kind regards,
Sian Websdale
Relieving Principal

Helmet design competition on the back page. Your chance to win a bike and helmet package. Design an amazing safety helmet on the page provided and return to school. Good Luck!
At Sefton Infants School we are safe, respectful learners.

School Hours
Just a quick reminder that the school finishes at 3pm and students should be collected as soon as possible after the bell has gone.

The school provides a safe place for students to wait, where there is adult supervision, but I’m a bit concerned about the number of students who are sitting and waiting. One day last week there were 16 students who had not been collected from school on-time. It is very cold in the afternoons and I’m sure you would agree that the quicker students get home, the better.

Obviously, as busy parents, we sometimes get held up due to traffic and appointments, if that is the case, please ring the office and we can let your child know that you are on your way.

Thank you for your cooperation in this matter.
